# SHAKKER™ SHUTTERS AND TRIM PACKAGES

New Shutter Look and Framing Systems we call Shakker Trim Packages to compliment the current Shakker or Craftsman, simple line look in home construction.

- New Shakker Shutter Panels that eliminate the mouse hole in our shutters for a more simple, craftsman look
- 5 New Shakker Frame and Trim designs
- 7 New Shakker Topps with various sizes and designs that mount on top of the Shakker Shutters for a true upscale finish
- New Shakker Bottoms or Sills to complete the Shakker Trim Package for our shutters

**Our PolyDesign Shutters are shipped to you completely assembled with the Shakker Topps attached, ready to install.**

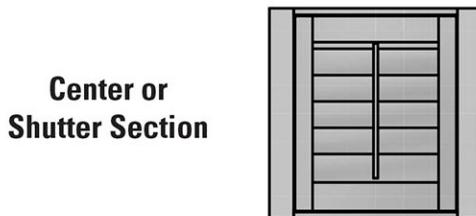

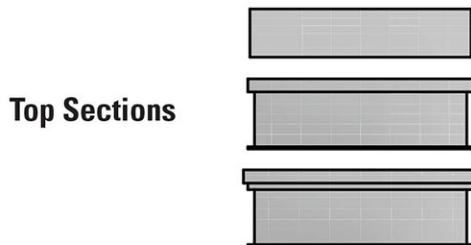

# SHAKKER™ TOPPS WITH TRIM PACKAGES
